Range (WLTP)	DC charging 10 to 80 %	Power	0 to 100 km/h
up to 575 km	20 min	up to 360 kW	from 4.6 s

Meet the Fjord

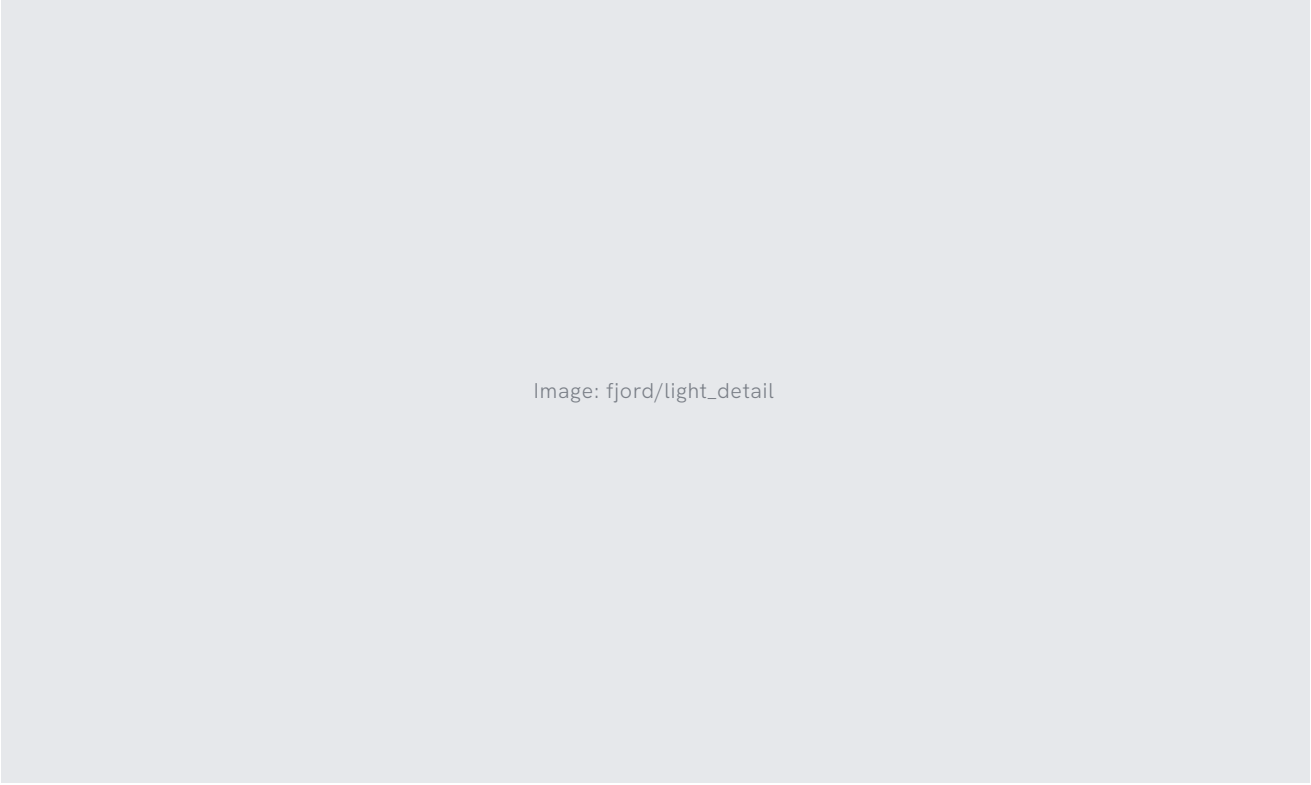

The Fjord is a long, low estate for families who would rather drive than fly. It covers great distances in quiet comfort and swallows everything the weekend needs.

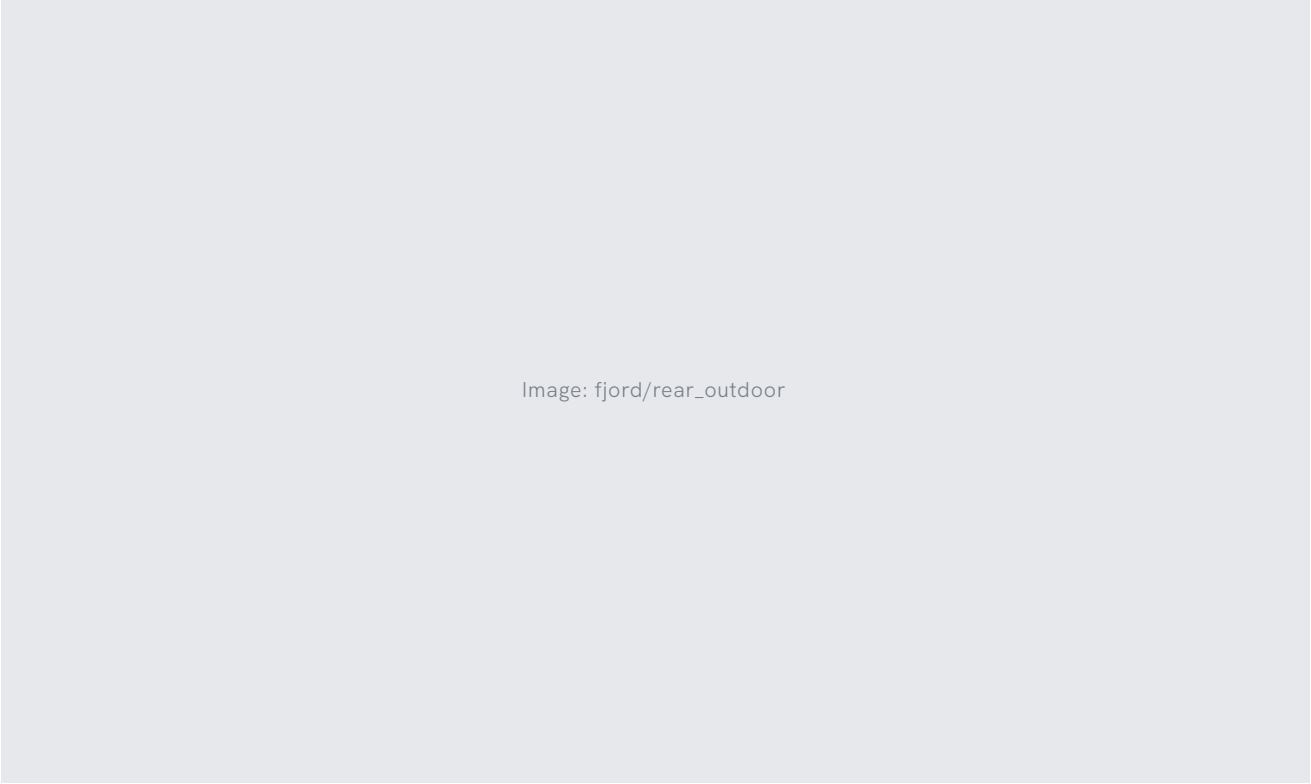

The Voltrieve Fjord is an estate with rear wheel drive or all wheel drive, built on the Voltrieve V2 platform with an 800 V system. Room for the whole weekend: that is the idea behind every detail.

Design

A single thin light line crosses the front and dips into a shallow V around the emblem, like the outline of a fjord valley. The same line returns at the rear, ending in light blades that wrap around the corners.

Interior

Light wool blend seats, pale ash wood and a wide, calm dashboard with a portrait touchscreen. Nappa leather with ventilation and massage on Prime.

- **Light wool blend:** light wool blend seats and pale ash wood trim. On Pure and Plus.
- **Nappa leather:** light Nappa leather seats with ventilation and massage, and pale ash wood trim. On Prime.

Technology and Voltrieve Pilot

The Voltrieve Fjord comes with Voltrieve Pilot version 3, our driver assistance suite. It brings adaptive cruise, lane keeping, traffic jam assist and automatic lane change (with Pilot Plus). Voltrieve Pilot Plus adds lane change assist and the highway autopilot. It is included on Fjord Prime and available as an option pack on the other trims.

- Boot of 640 litres
- Roof load of 100 kg
- Air suspension
- A heat pump as standard, so the range holds up in winter

Range and charging

With a 84 kWh battery the Voltrieve Fjord goes up to 575 km on a charge (WLTP). At a fast charger it takes up to 240 kW and goes from 10 to 80 % in about 20 minutes. At home, the 22 kW onboard charger fills the battery overnight.

Battery	Range (WLTP)	Peak DC charging	10 to 80 %	Onboard AC charger
84 kWh	575 km	240 kW	20 min	22 kW

On the road

Air suspension, a long wheelbase and an 800 V system make the Fjord a relaxed long distance car that charges quickly when you stop for coffee.

Drive	Power	Torque	0 to 100 km/h	Top speed
Fjord RWD	250 kW	450 Nm	6.1 s	200 km/h
Fjord AWD	360 kW	680 Nm	4.6 s	200 km/h

Three trims

Every Fjord is well equipped from the start. Each trim builds on the one before it.

Fjord Pure

- Heat pump
- Air suspension
- LED light line with the fjord V
- Voltrieve Pilot 3
- 22 kW onboard charger
- Satin aluminium roof rails
- Portrait central touchscreen

Wheels: 19 inch Birch. Interior: Light wool blend.

Fjord Plus

Everything in Fjord Pure, plus:

- Power tailgate with hands-free opening
- Keyless entry
- 360 camera
- Winter pack included: heat pump, heated steering wheel and rear seats, battery preconditioning

Wheels: 20 inch Fern. Interior: Light wool blend.

Fjord Prime

Everything in Fjord Plus, plus:

- Head-up display
- Panoramic glass roof
- Adaptive high beam
- Winter pack included: heat pump, heated steering wheel and rear seats, battery preconditioning
- Pilot Plus pack included: Voltrieve Pilot lane change assist and highway autopilot upgrade
- Sound pack included: 14 speaker Voltrieve Stage audio system

Wheels: 20 inch Fern. Interior: Nappa leather.

Colors and wheels

- **Glacier Blue** (signature color): deep blue, metallic finish.
- **Frost**: white, metallic finish.
- **Slate**: dark grey, metallic finish.
- **Heath**: deep burgundy, metallic finish.
- **19 inch Birch:** ten spokes in silver. On Pure.
- **20 inch Fern:** fifteen thin straight spokes in diamond-cut silver. On Plus and Prime.

Questions and answers

How far can the Fjord go on a charge? Up to 575 km (WLTP) with the 84 kWh battery. Cold weather, high speeds and a full load shorten that.

How fast does it charge? From 10 to 80 % in about 20 minutes at a fast charger that delivers 240 kW or more. On AC it charges at up to 22 kW, empty to full in about 3.8 hours.

Can it tow? Yes, up to 2 100 kg braked. The Tow pack adds an electrically deployable tow bar and trailer stability control.

Does it have a heat pump? Yes, on every trim.

Which driver assistance does it have? Voltrieve Pilot version 3: adaptive cruise, lane keeping, traffic jam assist and automatic lane change (with Pilot Plus).

Your next step

Book a test drive at your Voltrieve dealer and take the Fjord on the roads you drive every day. The price list, the technical specifications and the accessories catalog for the Voltrieve Fjord are part of this sales folder.
