Range (WLTP)	DC charging 10 to 80 %	Power	0 to 100 km/h
up to 455 km	26 min	up to 250 kW	from 4.9 s

Meet the Lumen

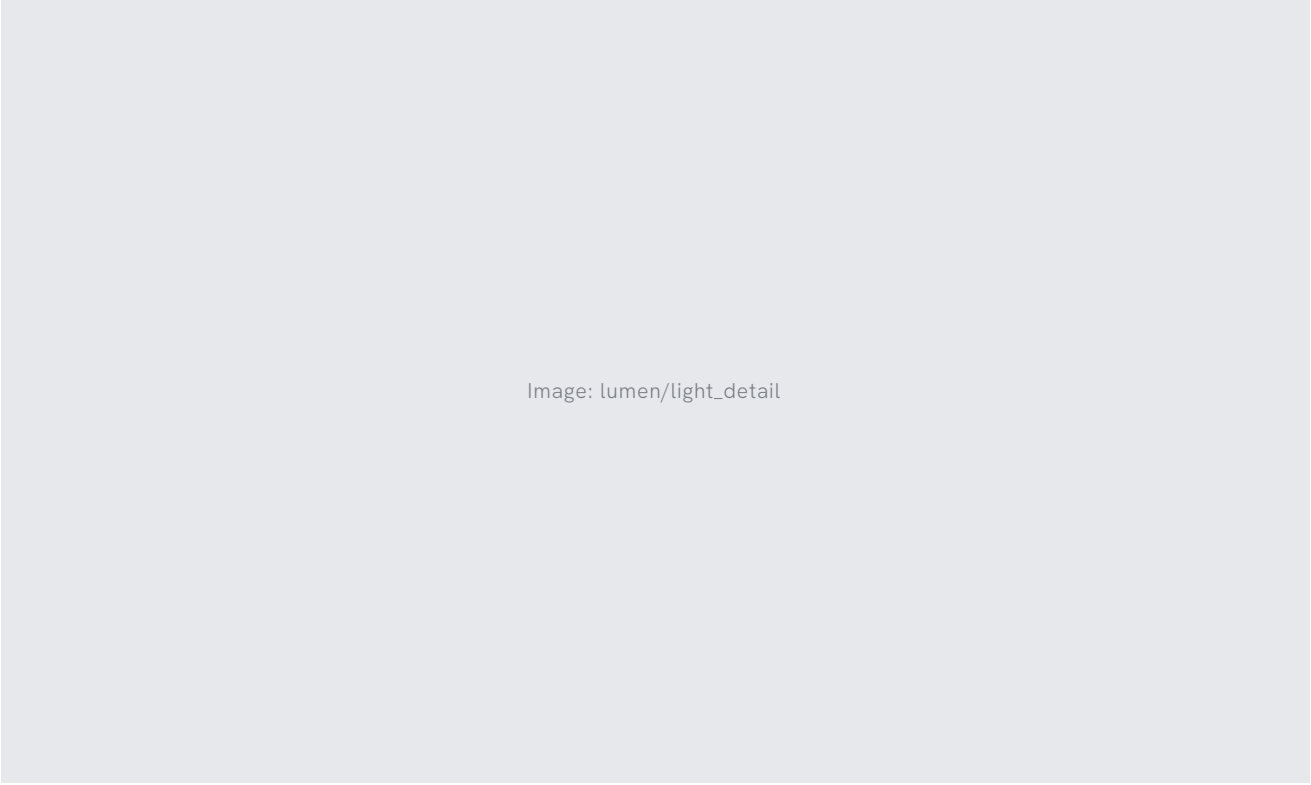

The Lumen is a compact hatchback with the reflexes of a sports car and the manners of a daily driver. Low, light and eager, it makes an ordinary commute feel like the long way home.

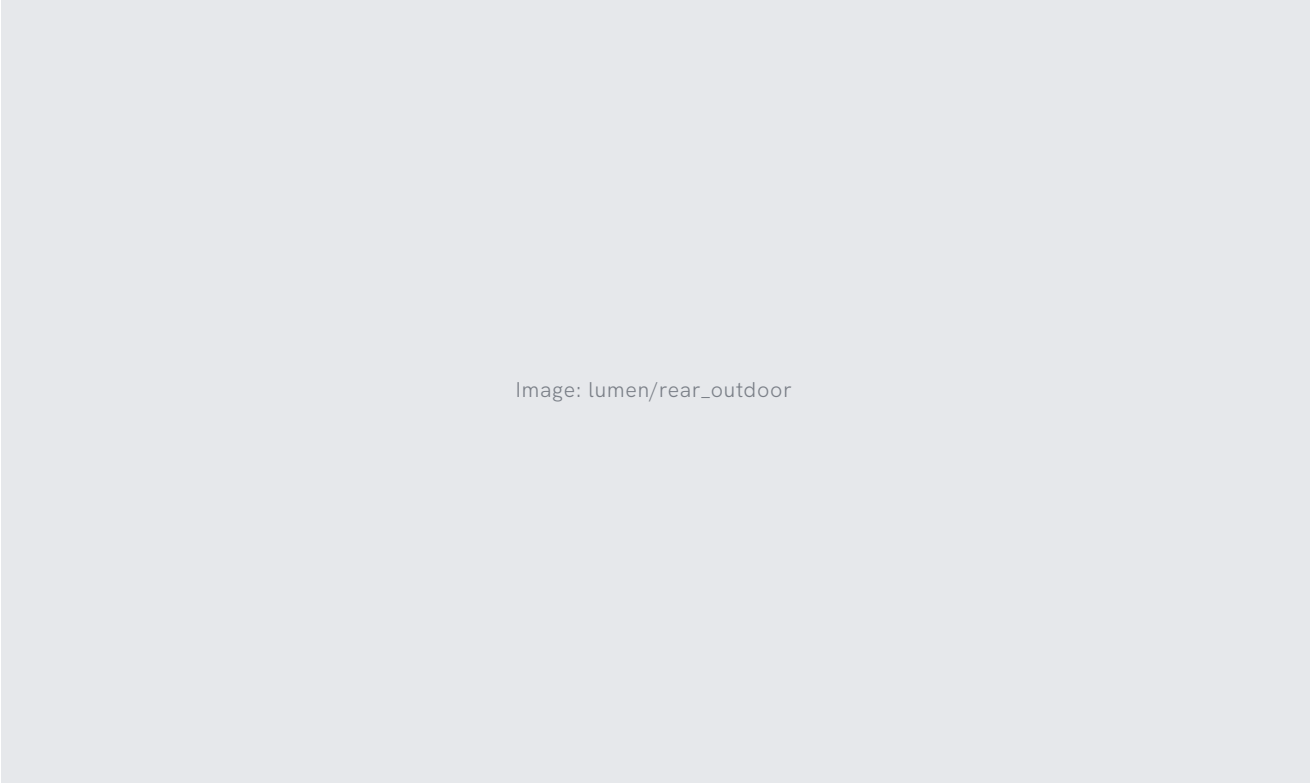

The Voltrieve Lumen is a hatchback with rear wheel drive or all wheel drive, built on the Voltrieve V1 platform with a 400 V system. Light on its feet: that is the idea behind every detail.

Image: lumen/front_outdoor

Design

Two thin light lines run across the full width of the car, front and rear, with no separate lamps at all. A sloping roof, frameless door glass and a sculpted hood finish the shape.

Interior

Black seats with coral stitching, a slim wide driver display and a floating touchscreen. A thin coral light line runs across the dashboard at night.

- **Black with coral stitching:** black textile seats with coral stitching and a thin coral light line across the dashboard. On Pure and Plus.
- **Sport seats:** black sport seats in microsuede with coral stitching and extended side support. On Prime.

Technology and Voltrieve Pilot

The Voltrieve Lumen comes with Voltrieve Pilot version 2, our driver assistance suite. It brings adaptive cruise and lane keeping. Voltrieve Pilot Plus adds lane change assist and the highway autopilot. It is included on Lumen Prime and available as an option pack on the other trims.

- Frunk of 45 litres
- 11 kW onboard charger
- 360 camera
- A heat pump as standard, so the range holds up in winter

Range and charging

With a 61 kWh battery the Voltrieve Lumen goes up to 455 km on a charge (WLTP). At a fast charger it takes up to 135 kW and goes from 10 to 80 % in about 26 minutes. At home, the 11 kW onboard charger fills the battery overnight.

Battery	Range (WLTP)	Peak DC charging	10 to 80 %	Onboard AC charger
61 kWh	455 km	135 kW	26 min	11 kW

On the road

A low centre of gravity and quick steering make the Lumen feel light on its feet. Choose rear wheel drive for efficiency or all wheel drive for grip and pace.

Drive	Power	Torque	0 to 100 km/h	Top speed
Lumen RWD	170 kW	330 Nm	6.9 s	180 km/h
Lumen AWD	250 kW	480 Nm	4.9 s	180 km/h

Room for everyday life

A hatchback tailgate, a flat folding rear seat and a frunk under the hood for the charging cable keep everyday life tidy.

Boot	Boot, rear seats folded	Frunk	Towing	Roof load
380 litres	1 260 litres	45 litres	750 kg braked	75 kg

Three trims

Every Lumen is well equipped from the start. Each trim builds on the one before it.

Lumen Pure

- Heat pump
- Double LED light lines front and rear
- 360 camera
- 11 kW onboard charger
- 12.3 inch driver display and floating touchscreen
- Voltrieve Pilot 2 with adaptive cruise control
- Frunk of 45 litres

Wheels: 18 inch Arc. Interior: Black with coral stitching.

Lumen Plus

Everything in Lumen Pure, plus:

- Power tailgate
- Keyless entry
- Head-up display
- Winter pack included: heat pump, heated steering wheel and rear seats, battery preconditioning

Wheels: 19 inch Turbine. Interior: Black with coral stitching.

Lumen Prime

Everything in Lumen Plus, plus:

- Adaptive high beam
- Heated windscreen
- Ambient lighting in 12 colors
- Winter pack included: heat pump, heated steering wheel and rear seats, battery preconditioning
- Pilot Plus pack included: Voltrieve Pilot lane change assist and highway autopilot upgrade
- Sound pack included: 14 speaker Voltrieve Stage audio system

Wheels: 19 inch Turbine. Interior: Sport seats.

Colors and wheels

- **Coral** (signature color): red-orange with a gloss black glass roof and black mirror caps, metallic finish.
- **Pearl**: white with a gloss black glass roof, pearl finish.
- **Midnight**: near-black blue, metallic finish.
- **Silver Birch**: light silver, metallic finish.
- **18 inch Arc:** five double spokes in silver. On Pure.
- **19 inch Turbine:** ten thin twisted spokes, diamond-cut silver and gloss black. On Plus and Prime.

Questions and answers

How far can the Lumen go on a charge? Up to 455 km (WLTP) with the 61 kWh battery. Cold weather, high speeds and a full load shorten that.

How fast does it charge? From 10 to 80 % in about 26 minutes at a fast charger that delivers 135 kW or more. On AC it charges at up to 11 kW, empty to full in about 5.5 hours.

Can it tow? Yes, up to 750 kg braked.

Does it have a heat pump? Yes, on every trim.

Which driver assistance does it have? Voltrieve Pilot version 2: adaptive cruise and lane keeping.

Your next step

Book a test drive at your Voltrieve dealer and take the Lumen on the roads you drive every day. The price list, the technical specifications and the accessories catalog for the Voltrieve Lumen are part of this sales folder.
