VOLTRIEVE

Voltrieve Ragn

Built for the long way round

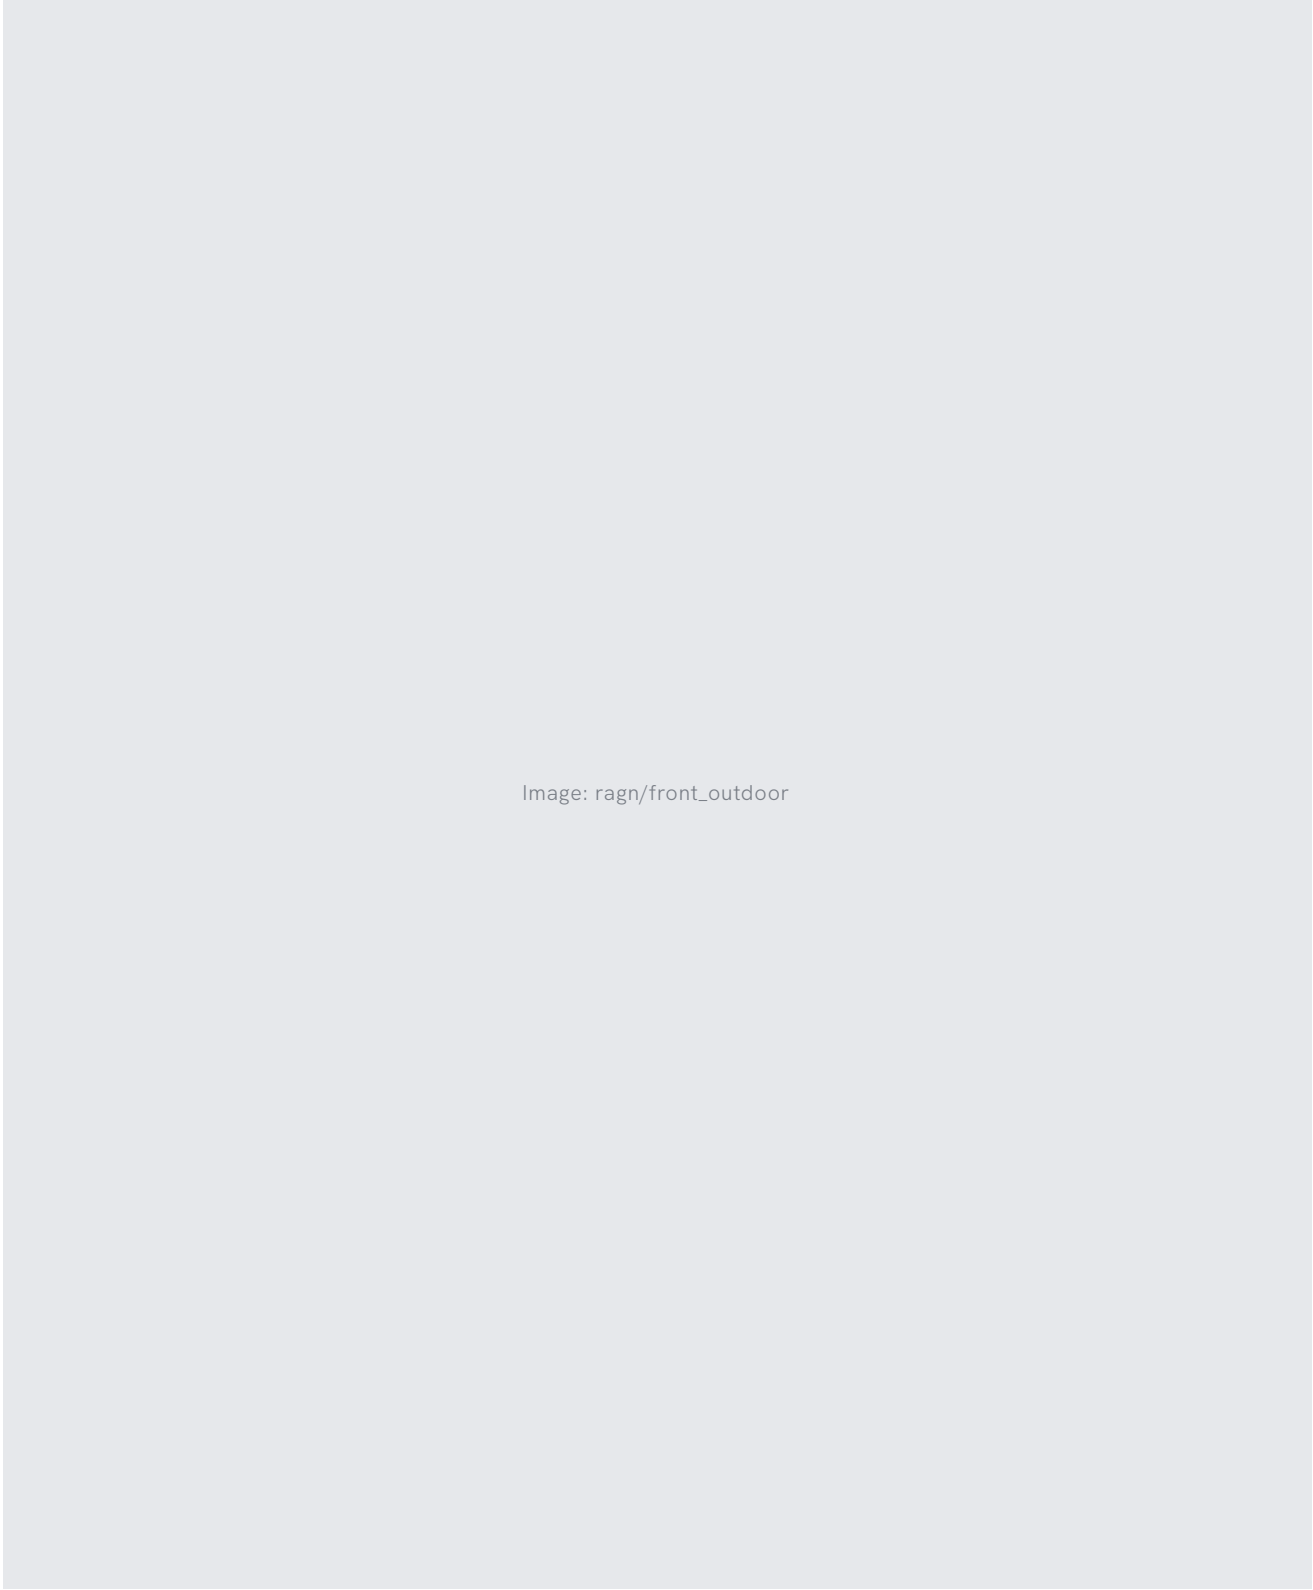

Image: ragn/hero

Range (WLTP)	DC charging 10 to 80 %	Power	0 to 100 km/h
up to 530 km	21 min	up to 300 kW	from 5.4 s

Meet the Ragn

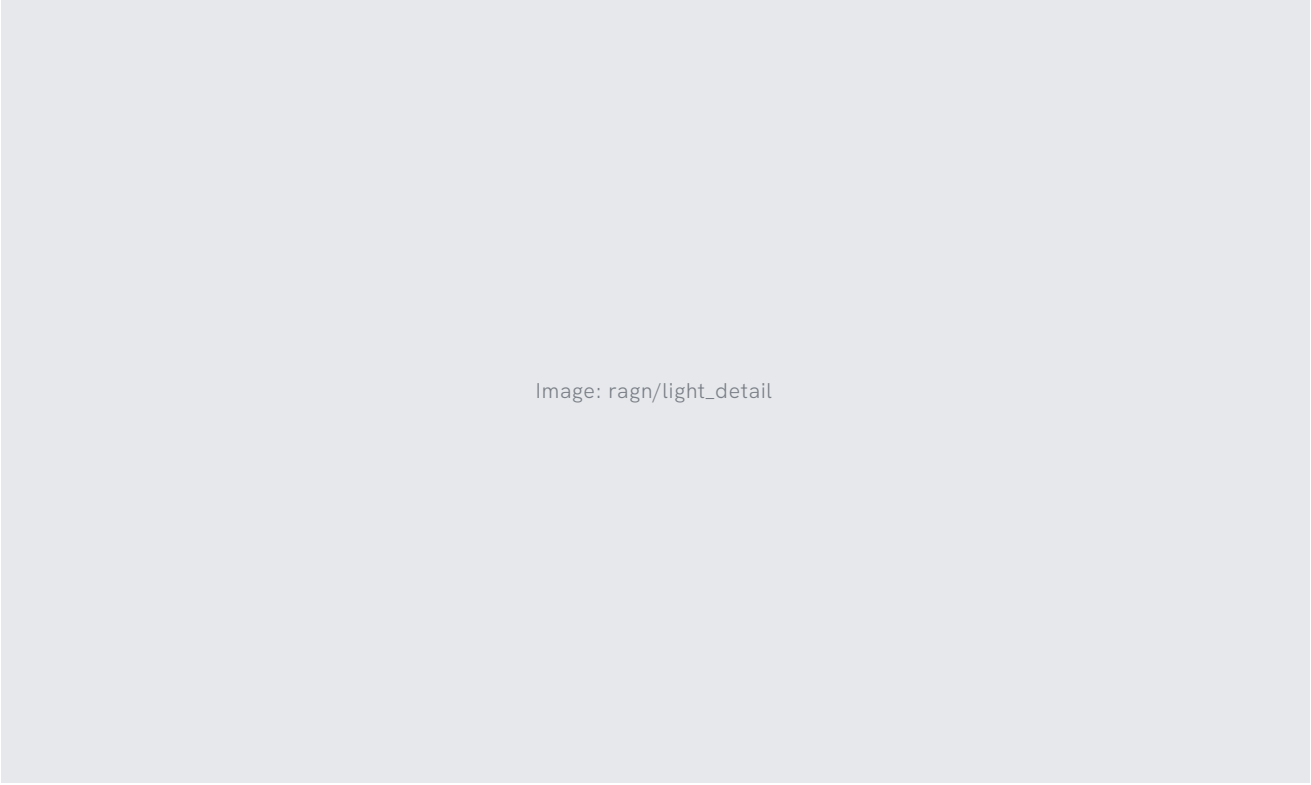

The Ragn is a crossover for people whose weekends start where the asphalt ends. Tall, tough and all wheel drive as standard, it takes the forest road as calmly as the motorway.

The Voltrieve Ragn is a crossover with all wheel drive, built on the Voltrieve V2 platform with an 800 V system. Built for the long way round: that is the idea behind every detail.

Design

A boxy body with squared wheel arches, wide textured cladding and four square pixel lamps in a flat black band. Bright orange recovery hooks tell you it means it.

Interior

Washable textile seats, rubber floor mats and chunky physical knobs you can use with gloves on. Orange pull loops on the doors and seats make it easy to climb in.

- **Washable dark grey textile:** washable dark grey textile seats, rubber floor mats and orange pull loops. On Pure and Plus.
- **Dark grey microsuede:** ventilated dark grey microsuede front seats with orange pull loops. On Prime.

Technology and Voltrieve Pilot

The Voltrieve Ragn comes with Voltrieve Pilot version 3, our driver assistance suite. It brings adaptive cruise, lane keeping, traffic jam assist and automatic lane change (with Pilot Plus). Voltrieve Pilot Plus adds lane change assist and the highway autopilot. It is included on Ragn Prime and available as an option pack on the other trims.

- Ground clearance of 205 mm
- Off road mode
- 22 kW onboard charger
- A heat pump as standard, so the range holds up in winter

Range and charging

With a 84 kWh battery the Voltrieve Ragn goes up to 530 km on a charge (WLTP). At a fast charger it takes up to 240 kW and goes from 10 to 80 % in about 21 minutes. At home, the 22 kW onboard charger fills the battery overnight.

Battery	Range (WLTP)	Peak DC charging	10 to 80 %	Onboard AC charger
84 kWh	530 km	240 kW	21 min	22 kW

On the road

All wheel drive, an off road mode and high ground clearance give the Ragn grip on gravel, snow and mud, while the 800 V system charges quickly on the way home.

Drive	Power	Torque	0 to 100 km/h	Top speed
Ragn AWD	300 kW	560 Nm	5.4 s	190 km/h

Image: ragn/side_studio

Room for everyday life

Roof rails, a wide boot opening and a tow rating for a small caravan or a trailer full of firewood.

Boot	Boot, rear seats folded	Frunk	Towing	Roof load
520 litres	1 580 litres	60 litres	1 800 kg braked	100 kg

Three trims

Every Ragn is well equipped from the start. Each trim builds on the one before it.

Ragn Pure

- Heat pump
- Off road mode
- 22 kW onboard charger
- Voltrieve Pilot 3
- Square pixel LED lights
- Orange recovery hooks
- Black roof rails
- Washable textile seats

Wheels: 19 inch Trail. Interior: Washable dark grey textile.

Ragn Plus

Everything in Ragn Pure, plus:

- Power tailgate
- Keyless entry
- 360 camera with underbody view
- Winter pack included: heat pump, heated steering wheel and rear seats, battery preconditioning

Wheels: 19 inch Trail. Interior: Washable dark grey textile.

Ragn Prime

Everything in Ragn Plus, plus:

- Heated windscreen
- Adaptive high beam
- Winter pack included: heat pump, heated steering wheel and rear seats, battery preconditioning
- Pilot Plus pack included: Voltrieve Pilot lane change assist and highway autopilot upgrade
- Sound pack included: 14 speaker Voltrieve Stage audio system

Wheels: 20 inch Trail. Interior: Dark grey microsuede.

Colors and wheels

- **Moss** (signature color): deep olive green, satin finish.
- **Granite**: mid grey, satin finish.
- **Sand**: warm beige, solid finish.
- **Night**: black, metallic finish.
- **19 inch Trail:** five thick spokes in gunmetal grey, on all-terrain tyres. On Pure and Plus.
- **20 inch Trail:** five thick spokes in matte black, on all-terrain tyres. On Prime.

Questions and answers

How far can the Ragn go on a charge? Up to 530 km (WLTP) with the 84 kWh battery. Cold weather, high speeds and a full load shorten that.

How fast does it charge? From 10 to 80 % in about 21 minutes at a fast charger that delivers 240 kW or more. On AC it charges at up to 22 kW, empty to full in about 3.8 hours.

Can it tow? Yes, up to 1 800 kg braked. The Tow pack adds an electrically deployable tow bar and trailer stability control.

Does it have a heat pump? Yes, on every trim.

Which driver assistance does it have? Voltrieve Pilot version 3: adaptive cruise, lane keeping, traffic jam assist and automatic lane change (with Pilot Plus).

Your next step

Book a test drive at your Voltrieve dealer and take the Ragn on the roads you drive every day. The price list, the technical specifications and the accessories catalog for the Voltrieve Ragn are part of this sales folder.
